

G&D NEWSLETTER

Hitting the Links for a Great Cause

On July 1st, we will be sponsoring the Fairway Foundation of Western Pennsylvania's second annual golf outing to benefit Tunnels to Towers. The event will take place at Northwinds Golf Course. The Tunnel to Towers Foundation builds mortgage-free smart homes for our most catastrophically injured veterans and first responders. Each home is designed to address the unique needs of each individual. All proceeds from the event will go towards supporting our veterans and first responders.

Gatter & Diehl Attends KAPPA Conference

Our business development team had a fantastic time at the 2023 KAPPA Spring Conference held at the prestigious Omni Bedford Springs Resort. We networked and showcased our services with fellow leaders and colleagues in the higher education industry. The event was aimed to provide professional development at all levels of the facilities profession with various professional development opportunities and to present and share new ideas and successes.

Exeter Township Bus Maintenance Facility is Complete

Back in 2021, the Exeter Township School District (ETSD) was interested in constructing a new bus maintenance facility with plans on demoing the existing site to provide for the new facility. After careful assessment and design, those plans came to fruition as the ETSD received their new building. Included in the newly constructed bus maintenance facility are two service bays, one wash bay, two additional overflow services bays, storage areas including a parts mezzanine and an office area. The office area includes three office spaces, restroom facilities, and a training room sized for instructing the entire transportation staff of over 50 employees.

G&D Participates in Central PA Engineers Week Council

We were thrilled to participate in this years Central Pennsylvania Engineers Week Council Display at the Commonwealth Keystone Building in Harrisburg, PA. The event allowed numerous engineering firms from around the area to display banners showcasing their services to anyone who walked through the Keystone Building.
